

NYC's Official 2013 Debate Program Participant Criteria for Mayoral Debates

Citywide candidates who participate in the voluntary matching public funds program and meet the below criteria must attend the mayoral debates. Debate Program sponsors may invite non-participating candidates who meet the same criteria.

There are two debates per office, per election (Primary Election and General Election). The second of these two debates is reserved for "leading contenders," which are determined by non-partisan, objective, and non-discriminatory criteria agreed upon by the Campaign Finance Board and the Debate Program sponsors. If only one candidate qualifies for a debate, no debate is held.

The following details the non-partisan, objective, and non-discriminatory criteria that candidates must meet in order to participate in the mayoral debates.
